Meadowview Maude 1851472—It took a lot of talking on the part of the sale manager to secure this beautiful young cow for this sale, because she is the kind all breeders like to keep in their herds. She is a dark roan daughter of Maxwalton Governor and her pedigree is certainly most fashionable. She is of the short legged, blocky type and she will sell with an outstanding very dark roan bull calf at foot dropped November 30th and sired by Broadhooks Fame. This bull is the dark roan son of Imp. Boyndie Fame that we secured from the Dryden herd in Canada. This cow is also rebred to this bull.
